(Last date 13th August 1956).

1. Tenders in the prescribed form in duplicate are obtainable from the Office of the Executive Engineer, No. 3 Sanitary Division, Davangere on payment of annas eight per form. Form should be addressed to the Executive Engineer, No. 3 Sanitary Division, Davangere in a sealed cover and superscribed as "tender for....." and should also be superscribed on the top of the cover with the name of the contractor.

2. Each tender must be accompanied by a deposit of Rs.....deposited in Government Treasury under "Revenue Deposits" and duplicate challan should be enclosed with the tender. Mysore Government Bonds duly endorsed at full value or market value whichever is less will also be accepted as earnest money.

3. Tenders should be submitted in duplicate for each work separately and if there are any difference in rates quoted in between the original and duplicate, the lower of the two will be taken for consideration.

4. Rates should be quoted against each item of work both in figures and words and should hold good till the acceptance of the tenders by the competent authority. The rates quoted will not be enhanced under any circumstances.

5. Tenders not accompanied by the Treasury Challan for having credited the earnest money will be rejected.

6. No conditional clauses will be accepted.

7. Sales-tax and income-tax clearance certificates duly authenticated should be attached to the tenders, failing which such tenders will be rejected.

8. The rates quoted with conditions, such as "subject to fluctuations etc.," will not be accepted.

9. The submission of tender by the Contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

10. The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing.

11. The name of the successful tenderer whose tender has been accepted will be notified on the office notice board of the Executive Engineer, No. 3 Sanitary Division, Davangere. No enquiries regarding the acceptance of the tender or otherwise will receive attention.

12. Tenderers should be of persons with experience of laying large size water mains and sub-mains.

13. The final acceptance of the tender will rest with the competent authority who reserves the right of acceptance or reject the lowest or any other tenders and also distribute the work if found necessary among several contractors at the lowest rates received with the tenders milewar in the case of pipe line work.

14. The rates quoted should hold good for conveying those pipes within a radius of 200 ft. No extra lead charges will be paid for conveyance of pipes within this range.

15. The work should be executed as per the specification in force in the Department.

16. All overwriting and corrections while submitting the tenders should be attested by the tenderer.

17. The contractor should arrange to keep the premises tidy immediately the work is completed in each section. No extra charges will be paid for this work.

18. The successful tenderer should bind himself to abide by the Departmental rules in force and should execute the necessary *mutchallika* within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which, his earnest money will be forfeited and his contract will be treated as cancelled. The earnest money of the contractor whose tender is accepted will be retained as security deposit and those of others will be returned after the acceptance of the tenders or only after the lapse of two months from the date of receipt of tenders as notified.

19. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, No. 3 Sanitary Division, Davangere on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 12 NOON on Saturdays.

20. Such of the tenders that stipulate upcalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reasons whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

21. For non-estimated and non-tendered items of work executed if need be, it will be paid as per the current minimum schedule of rates or as per data worked out during execution and approved by the competent authority.

22. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

23. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

24. The work should be completed and handed over in a tidy condition to the P.W.D. by the end of..... after acceptance of tender failing which, the Executive Engineer shall levy a penalty up to 2½ per cent on balance of works per month of delay, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The monthly progress shall not be less than Rs..... per month.

25. The contract should not be sublet.

26. All materials, tools and plant and machinery, that will be supplied by the Executive Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the stores to the date of return thereto, such dates being the dates of acknowledgments of the vouchers in each transaction.

27. The contractor should arrange for the payment of royalty and tolls and other duties payable by him.

28. Materials such as cement, steel, lead, yarn, if available in the Division or Sub-Division Stores costing more than Rs. 50 will be issued to the approved tender contractor from the stores on payment of cash only at current issue rates at the time of issue of materials to contractor.

29. No claims for damages for delay caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind while tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case. No extra claim or enhancement of rate will be allowed due to unavoidable delay for the supply of materials like cement, steel and lead, etc., by the department.

30. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

31. The tenderers should arrange to afford all facilities free of cost, for testing the lead joints, section by section by the departmental officers, during the period of 3 months after the line is charged. If any defects are noticed, they will have to be rectified by the contractor at his own cost, after which the final claims will be settled.

32. The contractor should at his own cost provide all necessary scaffolding, centering, labour and appliances of hoisting such as pulley block, tripods, wrenches gunny ropes, caulking and packing tools, etc., required for the work.

33. Proper arrangements for barricading, lighting, arranging for watchmen along the pipe line and specially in the main road and at the crossing for protection convenience and safety of traffic, should be provided by the tenderer at his own cost, failing which the contractor will be responsible for any accident and any negligence at his part and cost of such arrangements made by the department in this behalf will be recovered from the bill of the contractor.

34. At the time of acceptance of the tender, the accepted tenderer will be intimated when the lead and yarn would be supplied departmentally or not. If it is the contractor's supply, the quantity of lead and yarn, must be got approved by the department. The lead should be B. M. refined.

35. Afford facilities to any other parties employed on the work by the P.W.D. so that their work may also proceed during the progress of the work, and give such persons the use of ordinary scaffolding and ladders.

36. In case the contractor ceases to abide by the terms of contract at any time before completing the work he shall be bound to make good any loss to Government, which may arise from the cessation in addition to his surrendering his security deposit, which will be forfeited to Government.

37. The rates to be tendered by the contractor should include sales-tax or any tax that may have to be paid to Government or any other local bodies.

38. The contractor is responsible for all accidents to workmen, etc., on the work and he must take all precautions against all such risks of accidents and if necessary, provide for the same by insurance at the proper time and pay compensation of the injured labourers.

P. S. EDWIN,
For Chief Electrical Engineer.

Notification dated 18th July 1956.

G. N. No. 41—COS-UGC. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M., on 20th August 1956, for the supply of the following, the terms of delivery being Ex.C.P.S. Central Stores, Bangalore/F.O.R., Bangalore/respective places indicated against each item/f.o.r. Bangalore.

- (1) Best quality English or American make Antimonial soft solder of B. S. S. 219 Grade D suitable for making plumber's wiped joints in high voltage P.I.L.C. Cables. The composition of the metal should be as follows:—
- | | | | |
|----------|-----|------------------|--------------------------|
| Tin | ... | 29—31 per cent | Approximately 1,000 lbs. |
| Antimony | ... | 1.0—1.7 per cent | |
| Lead | ... | Remainder | |

P.S.—(1) Manufacturer's name, their trade mark and brand, if any, should invariably be mentioned in the tender and illustrative leaflets giving technical particulars, etc., attached to the tender to facilitate consideration of the offer.

(2) Offers from ready stocks will be preferred.

(3) Correct date of effecting supplies in the event of an order from this office should also be recorded in the tender.

(4) Samples may also be sent to this office for inspection and return at tenderer's own cost.

(5) Quotations without having the above particulars are liable to be rejected.

The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rates should be quoted both in figures and words. The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The earliest period within which delivery would be effected should be specified in the tender. The quantities in each item to be purchased may vary according to actual requirements at the time of placing orders.

Supply on our order will be subject to the general conditions of contract prevailing in this department for local purchases.

In all matters of dispute, the decision of the Chief Electrical Engineer will be final and binding on the tenderers.

The tenders should be superscribed as tender for the supply of "Antimonial soft solder, etc." to be opened after 3 P.M., on 20th August 1956.
